Lead Warning Statement

Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase.

APPENDIX B. RESIDENTIAL PROPERTY CONDITION DISCLAIMER STATEMENT FORM

Seller instructions: Oklahoma Law (the "Residential Property Condition Disclosure Act," 60, O.S. Section 831 et. seq., effective July 1, 1995) requires a seller of 1 and 2 residential dwelling units to deliver, or cause to be delivered, a disclaimer statement to a purchaser as soon as practicable, but in any event before acceptance of an offer to purchase if you, the seller: 1) have never occupied the property and make no disclosures concerning the condition of the property; and 2) have no actual knowledge of any defect concerning the property.

If, however, you occupied the property or know of a defect in regard to the property, you must complete and deliver, or cause to be delivered, a "Residential Property Condition Disclosure Statement" to the purchaser.

Also, if you become aware of a defect <u>after</u> delivery of this disclaimer statement to a purchaser, but before you accept an offer to purchase, you must complete and deliver, or cause to be delivered, a "Residential Property Condition Disclosure Statement" to a purchaser.

Completion of this form by you may not be more than 180 days prior to the date this form is received by a purchaser.

Note: If this disclaimer statement is delivered to a purchaser after an offer to purchase has been made by the purchaser, the offer to purchase shall be accepted by you only after a purchaser has acknowledged receipt of this statement and confirmed the offer to purchase.

Defect means a condition, malfunction, or problem that would have a materially adverse effect on the monetary value of the property, or that would impair the health or safety of future occupants of the property.

(For more information on the requirements of the law, please refer to the Residential Property Condition Disclosure Information Pamphlet.)
